Dear Student,

We are pleased to invite you to **CodeScape 2026**, a one-day offline immersive event designed exclusively for PU students who are interested in exploring higher education and career pathways in the field of Computer Science.

The event will be held on **14 January 2026, from 9:00 AM to 4:00 PM**, and aims to provide participants with hands-on exposure and clarity about diverse domains within Computer Science. The program will feature **8 interactive workshops** and **2 expert talks**, covering emerging technologies, academic pathways, and real-world applications of computing. These sessions are curated to help students make informed decisions about their future studies and careers.

This is an excellent opportunity to interact with professionals, gain practical insights, and experience the breadth of opportunities available in the CS domain.

Interested students are requested to register using the Google Form link below: [\[Google Form\]](#)

For further inquiries, please contact **9980739498**.

We look forward to your enthusiastic participation.

Warm regards,

Event Coordination Team
